

B4NTR

Broadband for North Tyne and Redesdale

B4RN

Broadband for the Rural North Ltd

RAY WIND FUNDS

B4NTR is a local volunteer group working with B4RN (Broadband for the Rural North) to bring hyperfast broadband to EVERYONE! Many homes outside main villages are not connected at all, but need to be for modern day life. As a community benefit society, B4RN exists to build the best connections across areas not profitable for commercial providers. B4RN would put our area in the top 3% of the country for speed and get us ahead of the cities for once. Monthly fees help your community with free access for primary schools, places of worship and more. This is a community project and we need your support! We need 50% of locals to complete an expression of interest form for the project to go ahead. So please come along to any meeting to find out more.
